## Griffin Pond Animal Shelter Doggy Day Out Application & Information

### >Doggy Day Out FAQs:

Q: Can I let the dog off-leash?

A: Dogs must be on leash at all times. Dogs are not allowed off-leash under any circumstances.

Q: What should I do with my field trip dog?

A: You can take them to one of our great local parks for a nice long walk, you can take them to local trails for an exciting hike, or take them out for a treat at our local dairy farm. Basically just get them out for a good time.

Q: Can I bring my other dogs too?

A: Other pets are allowed, but they must be transported in separate vehicles and kept apart at all times during the outing. This is for the safety of both animals.

Q: Can I take more than one dog out on a field trip?

A: We encourage kennel mates to go out together, as they have been tested to share space. We do not allow taking out multiples who are not housed together.

Q: What do I do if someone wants to adopt a dog I have on a field trip?

A: Great news! We love to hear that. Send them to Griffin Pond Animal Shelter to complete the necessary steps to adopt.

Q: Can I take my field trip dog swimming?

A: You may allow your field trip dog to wade through streams but please do not let them fully swim.

Q: Do I need to feed them dinner while we are out?

A: No need to worry! They will get dinner upon their return to the shelter. You can always offer pet friendly treats and snacks!

Q: How do I know if my field trip dog is good with kids or other dogs? Can my kids hold the dog? Can my dog meet other dogs we run into out walking?

A: All the information we know about your shelter dog will be provided to you by a staff member upon pickup. No one under 18 can hold the leash under any circumstances. Please do not introduce your dog to any other dogs or cats you may meet out and about, for your safety and theirs.

Q: Can I bring them to a dog park?

A: Under no circumstances should your dog be allowed into a dog park. This is for the safety of both you field trip dog and the other dogs.

Q: Can I bring my field trip dog to my house?

A: These dogs spend a lot of times indoors. The purpose of this program is to get the dogs outside for stimulation and exercise, so we do not want dogs being back inside for their "day out".

Q: What do I do if my field trip dog gets away from me?

A: Please call the shelter IMMEDIATELY so we can send someone to assist in recovering the dog. 570-586-3700
